

DONATED FOOD, COLD STORAGE AND DELIVERY

Failed cooling can spoil food.

You store donated food and move it to partner agencies. Refrigeration repair, spoiled stock and actual delivery or volunteer duties need distinct terms reflecting the food, vehicles and people involved.

RISKS WORTH DISCUSSING

- 01 Refrigeration failures and spoiled stock
- 02 Warehouse sorting or forklift injuries
- 03 Road collisions during food delivery

Coverage worth discussing

Commercial property

Insured warehouses and food stocks after covered damage.

General liability

Covered third-party injury from accepted food-distribution activities.

Workers compensation

Work-injury benefits for eligible warehouse employees.

Equipment breakdown

Covered internal failures of accepted refrigeration machinery.

Commercial auto

Covered road liability for accepted delivery vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
