

MOBILE FOOD SERVICE

A road crash can damage the kitchen.

Your mobile kitchen travels between service locations. Road collisions, customer injuries and removable gear need distinct vehicle, premises and equipment terms accepting the mobile operation.

RISKS WORTH DISCUSSING

- 01 Vehicle collisions in traffic
- 02 Onboard galley cooking fires
- 03 Customer slips at windows

Coverage worth discussing

Commercial auto

Covered road liability for declared food-service vehicles.

Inland marine

Declared removable gear during accepted transit stages.

General liability

Covered customer injuries from accepted mobile food service.

Equipment breakdown

Covered internal failures of expressly insured mobile generators.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
