Coverage worth discussing

Professional liability

Eligible claims from accepted appraisal or marking advice.

Inland marine

Declared GPS or cruising instruments after covered loss.

Cyber liability

Assists with response costs for data breach incidents.

General liability

Supports covered third-party injury during active field visits.

Workers compensation

Provides wage and medical benefits for staff injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
