The Southern Agency
Insurance & Bonds

BOOKING, CARRIER SELECTION AND PAYMENTS

A booking error can cost a client.

You arrange shipments rather than necessarily carry them. Accepted booking and customs duties need review; contingent road-cargo responsibility, customer data and defined payment theft are separate.

RISKS WORTH DISCUSSING

01 **Incorrect bookings or customs files**

02 **Negligent carrier-selection claims**

03 **Employee theft of insured funds**

FREIGHT FORWARDING AGENT INSURANCE

Coverage worth discussing

Professional liability
Claims from accepted booking/carrier-selection work.

Cyber liability
Covered shipper-data response and privacy claims.

Motor truck cargo
Expressly accepted contingent road-cargo interests.

Crime insurance
Defined theft/fraud of expressly insured money.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
