

DOCUMENTS AND MULTICARRIER HANDOFFS

A filing error can delay freight.

You coordinate routes, paperwork and carrier handoffs, sometimes without touching freight. Cargo-liability terms must fit accepted modes and contracts; service errors, data response and payment fraud differ.

RISKS WORTH DISCUSSING

- 01 Customs or routing-document errors
- 02 Cargo claims across carrier handoffs
- 03 Fraud involving carrier payments

Coverage worth discussing

Professional liability

Claims from accepted forwarding/documentation work.

Cyber liability

Covered shipment–system response and privacy claims.

Inland marine

Specialist cargo liability for accepted transit stages.

Crime insurance

Specified theft/transfer–fraud losses under accepted terms.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
