The Southern Agency
Insurance & Bonds

ATTENDANT FUELING AND AUTO SERVICE

Servicing a vehicle adds custody risks.

You provide attendant fueling and light auto service alongside store operations. A vehicle damaged in your bay or data breach requires specific coverage.

RISKS WORTH DISCUSSING

01 **Customer vehicle damage in custody**

02 **Attendant injury on forecourt**

03 **Payment data breach and skimming**

FULL-SERVICE GAS STATION INSURANCE

Coverage worth discussing

Garage liability
Covered third-party harm from accepted automotive work.

General liability
Covered visitor injuries at accepted station premises.

Commercial property
Insured station buildings and declared service tools.

Environmental liability
Covered cleanup involving accepted fuel releases.

Cyber liability
Covered response to breaches of customer records.

Workers compensation
Work-injury benefits for eligible station employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
