

SERVICE PLANNING, PREPARATION AND TRANSPORT

A preparation error can cause distress.

You coordinate funeral services, prepare remains and arrange transport. Accepted identification, preparation and custody duties need professional terms distinct from chapel-premises injury and actual fleet road liability.

RISKS WORTH DISCUSSING

- 01 Identification or preparation errors
- 02 Guest injuries during funeral services
- 03 Road collisions involving funeral vehicles

Coverage worth discussing

Professional liability

Accepted professional terms for declared funeral services.

Commercial property

Insured chapels and preparation rooms after covered damage.

General liability

Covered guest injury from accepted funeral-premises activities.

Commercial auto

Covered road liability for accepted funeral vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
