

ANTIQUE VALUES, FINISHES AND SHOP STORAGE

A stripped finish can ruin an antique.

You strip finishes, repair furniture and hold client pieces during restoration. Accepted custody, processing damage and antique values need express terms, alongside insured shop equipment and defined chemical releases.

RISKS WORTH DISCUSSING

- 01 Damage to valued client furniture
- 02 Irreversible stripping or sanding errors
- 03 Solvent or oil-soaked rag fires

Coverage worth discussing

Commercial property

Insured workshop and own equipment after covered damage.

Environmental liability

Covered cleanup under accepted finishing-chemical release terms.

Inland marine

Insured client furniture under accepted custody/processing terms.

Workers compensation

Work-injury benefits for eligible restoration employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
