The Southern Agency
Insurance & Bonds

FURNITURE STOCK, DELIVERIES AND ASSEMBLY

A delivery can damage a home.

You warehouse and sell large pieces, and may deliver or assemble them in homes. Match stock values and delivery/setup duties to actual terms, with transit damage separate from road and employee injury claims.

RISKS WORTH DISCUSSING

01 **Damage during delivery or assembly**

02 **Fire damage to stored furniture**

03 **Staff strains on delivery stairs**

FURNITURE RETAILER INSURANCE

Coverage worth discussing

Commercial property
Insured furniture stock after covered physical damage.

General liability
Resulting harm from accepted delivery/assembly activities.

Inland marine
Insured furniture under accepted transit/setup terms.

Workers compensation
Work-injury benefits for eligible handling/delivery employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
