The Southern Agency
Insurance & Bonds

GENERAL CONTRACTOR INSURANCE

Your name is on the whole project.

Trades change from job to job. Your agreement with the owner stays put. We fit coverage to the work your crews perform and the work you oversee, from an open site to claims after handoff.

RISKS WORTH DISCUSSING

01 **Subcontractor claims that flow back to you**

02 **Defect allegations years after closeout**

03 **Fire, wind or theft at work in progress**

GENERAL CONTRACTOR INSURANCE

Coverage worth discussing

General liability
Liability for covered injuries or property damage arising from your work.

Workers compensation
Medical and wage benefits for covered work-related crew injuries.

Commercial auto
Liability and vehicle protection for your business trucks and trailers.

Builders risk
Project buildings and materials during construction.

Inland marine
Tools, equipment and materials at jobsites or in transit.

Surety bonds
Bid, performance and payment bonds for obligations to project owners.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
