# Coverage worth discussing

## Commercial property

Covered damage to showroom premises and glass stock.

## Products liability

May help with covered injuries involving a glass product you sold or installed.

## Commercial auto

May help with covered delivery-vehicle accident claims.

## General liability

Covered showroom injuries or installation damage.

## Inland marine

Insured glass or tools on accepted delivery trips.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### 01 Listen

We review your operations, coverage and past claims.

### 02 Assess

We look at hazards and ways to reduce risk.

### 03 Build

We compare carriers, premiums and audit terms.

### 04 Support

We revisit coverage as your work changes.
