

SMALL PASSENGER BOATS, DOCKS AND CREW

Boarding can unsettle a gondola.

You steer passenger boats through canals and waterways. Marine passenger liability, hull and crew arrangements need suitable forms; docks, shoreside visitors and worker status require separate review.

RISKS WORTH DISCUSSING

- 01 Passenger falls during dock transfers
- 02 Boat instability from passing wakes
- 03 Damage to insured shore facilities

Coverage worth discussing

General liability

Covered visitor injury at accepted shore premises.

Workers compensation

Benefits under applicable accepted worker terms.

Commercial property

Insured docks, ticket facilities and shore gear.

Umbrella liability

Limits above expressly scheduled marine/shore terms.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
