The Southern Agency
Insurance & Bonds

HARVEST AND STORAGE

A combine fire can interrupt harvest.

You harvest grain with combines, then dry and store it. Standing crops, harvested grain and damaged machinery have different insurance needs.

RISKS WORTH DISCUSSING

01 Combine fire and breakdown

02 Grain bin and dryer hazards

03 Stored grain spoilage loss

GRAIN FARM INSURANCE

Coverage worth discussing

Commercial property
Insured bins, dryers and declared stored grain.

Equipment breakdown
Covered internal failures of stationary drying systems.

Inland marine
Declared combines or field machinery after covered loss.

Commercial auto
Covered road liability for declared grain-hauling vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
