

VINEYARD MAINTENANCE AND TASTING ROOMS

Tasting-room visitors can raise liability claims.

You tend grapevines from pruning to harvest and may host tastings. Vine losses, alcohol service and seasonal labor need different terms.

RISKS WORTH DISCUSSING

- 01 Vine and trellis physical damage
- 02 Liquor liability for intoxicated visitors
- 03 Harvest labor and machinery injuries

Coverage worth discussing

Commercial property

Insured vineyard buildings and accepted trellis interests.

Liquor liability

Covered alcohol-service claims from declared tasting activities.

General liability

Covered visitor injuries at accepted tasting premises.

Workers compensation

Employee injury benefits for eligible harvest staff.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
