

AGGREGATE TRANSPORT OPERATIONS

A loaded dump truck carries road risk.

Describe loads and hauling agreements when reviewing highway accidents, cargo eligibility and dumping-site duties.

RISKS WORTH DISCUSSING

- 01 Highway accidents with loaded trucks
- 02 Cargo loss in an upset or rollover
- 03 Backing and dumping incidents on site

Coverage worth discussing

Commercial auto

May help with covered accidents involving insured dump trucks or trailers.

General liability

Covered non-auto injury or property damage on site.

Inland marine

Insured tarps and tools against off-site damage.

Motor truck cargo

May help with covered loss of eligible gravel or fill loads.

Workers compensation

Benefits for employee loading or dumping injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
