

## HEAVY TRUCK ASSEMBLY

# A brake defect can put other road users at risk.

You assemble truck frames and drivetrains using cranes and welding. Review highway product liability, lifts and road-test duties.

## RISKS WORTH DISCUSSING

- 01 Drivetrain and brake liability
- 02 Heavy lift and crane accidents
- 03 Road test and transport hazards

# Coverage worth discussing

## **Products liability**

Addresses injury claims from drivetrain defects.

## **Commercial auto**

Eligible road-test and driveaway vehicle liability.

## **Workers compensation**

Provides wage benefits for assembly workers.

## **Umbrella liability**

Extra limits above covered underlying liabilities.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### **01 Listen**

We review your operations, coverage and past claims.

### **02 Assess**

We look at hazards and ways to reduce risk.

### **03 Build**

We compare carriers, premiums and audit terms.

### **04 Support**

We revisit coverage as your work changes.
