HIGHWAY CONTRACTOR INSURANCE

Coverage worth discussing

General liability
Covers damage occurring in the work zone.

Commercial auto
Covered road claims involving dump or water trucks.

Surety bonds
Supports specified contract obligations.

Workers compensation
Covers medical costs for jobsite injuries.

Inland marine
Covers pavers and excavators from theft.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
