The Southern Agency
Insurance & Bonds

VINTAGE BODIES, ROAD OR RAIL OPERATION

A trolley collision can injure guests.

Your vintage or replica trolley can run on tires or rails. Declare its design, passenger duties and custom values; road/rail liability and worker-injury frameworks need the actual mode accepted.

RISKS WORTH DISCUSSING

01 **Collisions along sightseeing routes**

02 **Passenger falls during boarding**

03 **Damage to custom vintage bodywork**

HISTORIC TROLLEY TOUR INSURANCE

Coverage worth discussing

Commercial auto
Liability for expressly accepted road-trolley use.

General liability
Covered nonvehicle ticket-point/premises injury.

Umbrella liability
Limits above suitable scheduled road/rail terms.

Commercial property
Insured depots, ticket facilities and shop assets.

Workers compensation
Benefits for employees under qualifying arrangements.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
