The Southern Agency
Insurance & Bonds

COLLECTION CURATION MANAGEMENT

A water leak can damage unique artifacts.

You preserve unique documents and artifacts for public exhibit or research. A water leak or improper handling can irreparably damage one-of-a-kind museum materials.

RISKS WORTH DISCUSSING

01 **Accidental damage to rare artifacts**

02 **Visitor mishandling in research rooms**

03 **In-transit damage to loaned items**

HISTORY MUSEUM INSURANCE

Coverage worth discussing

Inland marine
Declared artifact interests under accepted display or transit terms.

General liability
Covered visitor or researcher injuries at accepted premises.

Cyber liability
Covered donor-record breach response and privacy claims.

Commercial property
Insured buildings or fixtures after covered physical damage.

Crime insurance
Covered employee theft involving insured admissions funds.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
