

SHOWROOM PIECES AND IN-HOME DELIVERIES

An in-home delivery can damage walls.

Your showroom stock may move through warehouses and customer homes. Declare delivery, assembly and goods ownership, keeping furniture damage distinct from vehicle liability and employee-injury protection.

RISKS WORTH DISCUSSING

- 01 Damage to homes during furniture delivery
- 02 Showroom tip-over or pinch injuries
- 03 Staff strains while moving heavy pieces

Coverage worth discussing

General liability

Resulting harm from accepted delivery/assembly activities.

Inland marine

Insured furnishings under accepted transit/setup terms.

Workers compensation

Work-injury benefits for eligible handling/delivery employees.

Commercial property

Insured furnishing stock after covered physical damage.

Commercial auto

Covered road liability for accepted delivery vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
