

EQUINE HANDLING, STREET TRIPS AND TACK

A startled horse can injure guests.

You guide carriage passengers along public streets and visitor routes. Declare equine and driver duties; horse interests, carriage/harness property, road hauling and passenger liability need distinct terms.

RISKS WORTH DISCUSSING

- 01 Passenger injuries involving horses
- 02 Traffic collisions on carriage routes
- 03 Physical loss of carriages or tack

Coverage worth discussing

General liability

Claims under accepted carriage/equine service terms.

Commercial property

Insured barns, storage and fixed property.

Commercial auto

Road liability for accepted motor-hauling use.

Inland marine

Scheduled carriages, harnesses and portable tack.

Workers compensation

Benefits for qualifying handler/driver work injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
