Coverage worth discussing

Products liability

Covered patient harm from accepted hospital devices.

Commercial property

Insured device warehouses and declared medical stocks.

Professional liability

Eligible claims from accepted specification or advice.

Cyber liability

Addresses covered business or patient-data breach.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
