

SHARED BUNKS, KITCHENS AND STORAGE

Shared bunks bring injury risks.

You house unrelated travelers in communal sleeping and cooking areas. Bunk layouts, kitchen use and storage duties need accepted lodging terms; insured desk funds and guest belongings are different interests.

RISKS WORTH DISCUSSING

- 01 Bunk-bed falls and injuries
- 02 Shared-kitchen burns or fire
- 03 Guest storage theft complaints

Coverage worth discussing

Commercial property

Insured hostel buildings and contents after covered loss.

Crime insurance

Defined theft losses involving expressly insured desk funds.

General liability

Covered guest injury from accepted shared-lodging operations.

Workers compensation

Work-injury benefits for eligible cleaning employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
