

GUESTROOMS, DINING AND AMENITIES

Amenities add guest injury risks.

You combine overnight rooms with dining, pools or other services. Actual amenity operators, bar duties and guest records need accepted terms, with outside vendors distinguished from hotel employees.

RISKS WORTH DISCUSSING

- 01 Pool and fitness-area injuries
- 02 Dining or bar-service claims
- 03 Reservation data exposure

Coverage worth discussing

Commercial property

Insured hotel buildings and amenities after covered damage.

Liquor liability

Covered liability from accepted dining or bar-service duties.

Workers compensation

Work-injury benefits for eligible hotel employees.

General liability

Covered guest injury from expressly accepted hotel activities.

Cyber liability

Covered guest-data breach response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
