

SIGNS, DISPLAY PANELS AND INSTALLATION

A falling panel can injure passersby.

You install and maintain signs or displays, often at height or near public routes. Actual structures, installation duties and employee roles need accepted terms alongside components moving between shop and site.

RISKS WORTH DISCUSSING

- 01 Third-party injury from falling panels
- 02 Installer injuries while working at height
- 03 Damage to signs or components

Coverage worth discussing

General liability

Covered third-party harm from accepted installation work.

Commercial property

Insured display structures after covered physical damage.

Workers compensation

Work-injury benefits for eligible installation employees.

Inland marine

Insured tools and components during accepted work stages.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
