

PRODUCT CONCEPTS, DRAWINGS AND PROTOTYPES

A tolerance error can affect safety.

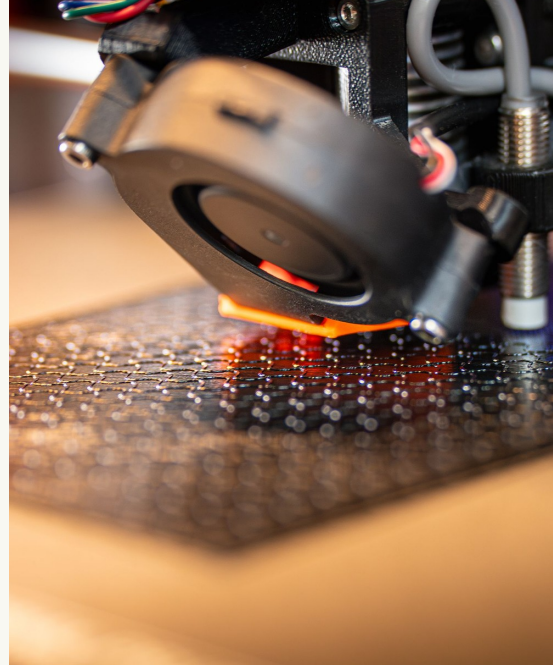

You take physical products from concept through drawings and prototypes. Actual design and supply duties need accepted terms, with resulting injury distinguished from retooling, recall or replacement costs.

RISKS WORTH DISCUSSING

- 01 Specification or tolerance-error allegations
- 02 Resulting harm from accepted product roles
- 03 Compromised confidential CAD files

Coverage worth discussing

Professional liability

Covered claims alleging accepted product-design service errors.

Products liability

Covered resulting harm from expressly accepted design/supply roles.

Cyber liability

Covered response to qualifying CAD-data cyber incidents.

Business owners policy

Eligible studio property and premises liability together.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
