The Southern Agency
Insurance & Bonds

HABILITATION AND LONG-TERM SUPPORT

System faults can disrupt care.

Your facility provides continuing habilitation and care. Accepted resident services and medication duties need clinical terms, while physical assets, internal system failures and employee injuries require different protection.

RISKS WORTH DISCUSSING

01 **Resident falls during routine care**

02 **Medication administration dosing errors**

03 **Critical building system equipment breakdown**

INTERMEDIATE CARE FACILITY INSURANCE

Coverage worth discussing

Professional liability
Specialist liability for accepted habilitation and clinical duties.

Commercial property
Insured care facilities and equipment after covered damage.

Equipment breakdown
Covered internal failures of accepted building systems.

Workers compensation
Work-injury benefits for eligible facility employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
