The Southern Agency
Insurance & Bonds

RELIEF PROGRAMS, DONOR FUNDS AND PARTNERS

Diverted aid funds can disrupt relief.

You deliver relief through staff and local partners across borders. Accepted countries, entities and duties need explicit terms, with war, sanctions and deployed-person medical or evacuation interests reviewed separately.

RISKS WORTH DISCUSSING

01 **Claims over restricted-fund stewardship**

02 **Theft involving insured donor funds**

03 **Beneficiary or donor-record breaches**

INTERNATIONAL AID AGENCY INSURANCE

Coverage worth discussing

Directors and officers
Covered governance claims against eligible insured aid leaders.

General liability
Covered third-party harm at expressly accepted program sites.

Crime insurance
Defined theft involving expressly insured agency funds.

Cyber liability
Covered beneficiary-data breach response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
