

OFF-ROAD PASSENGERS AND REMOTE ROUTES

A rough trail can overturn a jeep.

Your jeeps take passengers onto rough or remote terrain. Declare routes, guiding and recovery duties; accepted off-road passenger terms, staging-area liability and portable recovery gear address different interests.

RISKS WORTH DISCUSSING

- 01 Passenger injuries in off-road rollovers
- 02 Falls during accepted guided stops
- 03 Loss of portable radios or recovery gear
