

FRESH PREPARATION COUNTER SERVICE

Wet counters can lead to guest falls.

You wash produce and blend fresh drinks at a service counter. Wet floors, contaminated ingredients and failed juicers involve different premises, product and machinery interests.

RISKS WORTH DISCUSSING

- 01 Customer slips near counters
- 02 Foodborne illness from produce
- 03 Refrigeration breakdown and spoilage

Coverage worth discussing

Business owners policy

Property and general liability for an eligible juice bar.

Products liability

Covered resulting harm from supplied juices or smoothies.

General liability

Covered guest injuries from accepted counter-service duties.

Equipment breakdown

Covered internal failures of accepted juicers or blenders.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
