

DRAINAGE, PLANTING AND SITE OBSERVATION

A drainage error can damage a site.

You design outdoor spaces, drainage and planting plans and may observe site work. Accepted design responsibilities need terms distinct from nonprofessional site injury, business travel and qualifying project-data incidents.

RISKS WORTH DISCUSSING

- 01 Allegedly incorrect drainage designs
- 02 Unsuitable planting-specification claims
- 03 Compromised digital project plans

Coverage worth discussing

Professional liability

Covered claims alleging accepted landscape-design service errors.

Business owners policy

Eligible office property and premises liability together.

Cyber liability

Covered response to qualifying project-data cyber incidents.

General liability

Covered nonprofessional injury from accepted site activities.

Commercial auto

Covered road liability for accepted site-travel vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
