

PRINTED BANNERS AND SITE INSTALLATION

Loose banners can strike property.

You print displays and install them using ladders, lifts and mounting hardware. Actual installation duties, transit interests and completed-work injury need accepted terms; faulty-work replacement is a separate question.

RISKS WORTH DISCUSSING

- 01 Falls from ladders or lifts
- 02 Detached banners causing damage
- 03 Anchoring damage to client structures

Coverage worth discussing

General liability

Covered third-party harm from accepted installation duties.

Commercial property

Insured production printers after covered physical damage.

Inland marine

Declared tools and banners during accepted transit stages.

Products liability

Covered resulting harm from accepted delivered banners.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
