SHARED TRAILERS AND REPEATED DOCK HANDLING

One trailer can hold many claims.

You consolidate several customers' freight through cross-docks. Compare peak combined values and each handling stage; terminal property, misrouting costs and physical cargo loss are different interests.

RISKS WORTH DISCUSSING

01 **Freight damage during restacking**

02 **Forklift and dock employee injuries**

03 **Several shippers losing one load**

LESS-THAN-TRUCKLOAD FREIGHT INSURANCE

Coverage worth discussing

Motor truck cargo
Freight loss at accepted transit/terminal stages.

General liability
Covered non-auto terminal injury/property claims.

Equipment breakdown
Internal failures of accepted terminal machinery.

Commercial auto
Covered road liability for accepted LTL fleets.

Workers compensation
Benefits for qualifying dock/driver work injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
