The Southern Agency
Insurance & Bonds

PRIVATE FITTINGS AND CUSTOMER RECORDS

A fitting-room fall can bring a claim.

You fit intimate apparel in private spaces and hold customer records. Fitting-room injuries, shopper privacy concerns and staff-conduct claims need separate acceptance alongside stock and data interests.

RISKS WORTH DISCUSSING

01 **Shopper injuries during private fittings**

02 **Staff harassment or conduct claims**

03 **Breaches of fitting or customer records**

LINGERIE SHOP INSURANCE

Coverage worth discussing

General liability
Covered premises injury from accepted fitting activities.

Commercial property
Insured garment stock after covered physical damage.

Employment practices
Covered employment claims against your own shop.

Cyber liability
Covered customer-data breach response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
