

MOBILE CAMERAS AND LIVE BROADCASTS

Floor cables can trip attendees.

You set up mobile audio and video systems to stream live events. Venue duties, client service commitments and rebroadcast rights need accepted terms, with ordinary feed failure separated from qualifying cyber incidents.

RISKS WORTH DISCUSSING

- 01 Trips over floor cables
- 02 Hardware failures during live feeds
- 03 Copyright claims from rebroadcasts

Coverage worth discussing

General liability

Covered third-party injury from accepted event-production work.

Professional liability

Covered claims alleging accepted streaming-service errors.

Inland marine

Declared mobile production gear during accepted movements.

Cyber liability

Covered data-incident response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
