PRIVATE POSTAL COUNTERS AND HELD PARCELS

A lobby fall can injure a visitor.

You operate a private postal-service counter, not the federal system's insurance arrangement. Identify cash, stamps, fixtures and held parcels by owner; custody and customer-data terms need direct review.

RISKS WORTH DISCUSSING

01 Customer falls in the postal lobby

02 Theft of insured cash or stamps

03 Exposure of customer postal records

LOCAL POST OFFICE INSURANCE

Coverage worth discussing

General liability
Covered visitor injury at accepted postal premises.

Commercial property
Insured counters, fixtures and office equipment.

Crime insurance
Defined theft of expressly insured cash/stamps.

Cyber liability
Covered customer-record response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
