

## FULL TRAILERS AND LONG HIGHWAY ROUTES

# A theft can take an entire load.

Your full trailers travel far from the home terminal. Match peak shipment values and theft conditions with actual custody; leased equipment, roadside recovery and delay demands are separate interests.

## RISKS WORTH DISCUSSING

- 01 Severe highway collision claims
- 02 Theft of a loaded parked trailer
- 03 Employee injuries far from base

# Coverage worth discussing

## **Commercial auto**

Covered road liability for accepted truckload fleets.

## **General liability**

Covered non-auto yard/customer-site injury claims.

## **Umbrella liability**

Limits above expressly scheduled hauling liability.

## **Motor truck cargo**

Accepted freight under insured transit/theft terms.

## **Workers compensation**

Benefits for qualifying driver work injuries.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### **01 Listen**

We review your operations, coverage and past claims.

### **02 Assess**

We look at hazards and ways to reduce risk.

### **03 Build**

We compare carriers, premiums and audit terms.

### **04 Support**

We revisit coverage as your work changes.
