

RESIDENTIAL SUPPORT AND DAILY CARE

Missed care can lead to claims.

Your residents rely on staff for daily safety and support. Accepted care levels, medication oversight and safeguarding terms need review separately from premises damage and employee injuries.

RISKS WORTH DISCUSSING

- 01 Falls during routine mobility assistance
- 02 Pressure injuries or supervision lapses
- 03 Caregiver strains from lifting residents

Coverage worth discussing

Professional liability

Specialist liability for accepted care and medication duties.

Workers compensation

Work-injury benefits for eligible care-home employees.

General liability

Covered nonclinical resident or visitor premises injuries.

Commercial property

Insured residences and furnishings after covered physical damage.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
