

SCHEDULED AIR CARRIER OPERATIONS

A reservation breach can affect many travelers.

Your airline connects stations, reservation systems and large workforces. Aircraft and flight liabilities need specialist terms alongside the network's ground-business protection.

RISKS WORTH DISCUSSING

- 01 Reservation-data breach claims
- 02 Employment discrimination allegations
- 03 Ground-facility visitor injuries

Coverage worth discussing

Cyber liability

Covered reservation–data breach response and privacy claims.

Employment practices

Covered discrimination or harassment claims under accepted terms.

Crime insurance

Covered employee theft of insured funds.

Directors and officers

Covered board or management wrongful–act claims.

Commercial property

Insured maintenance–base property after covered physical loss.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
