APPLIANCE MANUFACTURING INSURANCE

Coverage worth discussing

Products liability
Helps with fire or shock injury claims.

Commercial property
Restores plant equipment and components.

Environmental liability
Covers refrigerant or chemical releases.

Umbrella liability
Additional limits above covered underlying liabilities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
