

WATERFRONT SLIPS AND SERVICE

A boat in your custody needs distinct terms.

You provide dock access and vessel handling. Customer-boat custody, waterfront structures, pollution and crew status require accepted marine terms for your actual duties.

RISKS WORTH DISCUSSING

- 01 Visitor falls on docks
- 02 Vessel damage in custody
- 03 Fuel spill cleanup costs

Coverage worth discussing

General liability

Covered visitor-injury claims under accepted waterfront terms.

Inland marine

Express marine-custody terms for accepted customer-vessel interests.

Equipment breakdown

Covered internal failures of accepted lifts or pumps.

Commercial property

Declared waterfront structures under accepted marine-property terms.

Environmental liability

Covered cleanup from accepted waterfront fuel releases.

Workers compensation

Employee injury arrangements matched to accepted maritime duties.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
