The Southern Agency
Insurance & Bonds

COLD-CHAIN DISTRIBUTION

Refrigeration failure ruins inventory

You deliver fresh and frozen meat products. Maintaining cold-chain integrity is vital to prevent spoilage and claims.

RISKS WORTH DISCUSSING

01 **Power failure warming**

02 **Contaminated lot claims**

03 **Transit reefer failure**

MEAT DISTRIBUTOR INSURANCE

Coverage worth discussing

Products liability
Covers illness claims from distributed products.

Equipment breakdown
Covered internal failures of refrigeration machinery.

Motor truck cargo
Declared meat loads after covered transit losses.

Commercial property
Covers refrigerated stock from insured perils.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
