# Coverage worth discussing

## Products liability

Covered patient harm from accepted medical devices.

## Commercial property

Protects device inventory from fire or theft.

## Professional liability

Eligible claims from accepted equipment-setup duties.

## Cyber liability

Covered breach response for retained patient records.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### 01 Listen

We review your operations, coverage and past claims.

### 02 Assess

We look at hazards and ways to reduce risk.

### 03 Build

We compare carriers, premiums and audit terms.

### 04 Support

We revisit coverage as your work changes.
