

MEDICAL DEVICES ON HIRE

Device faults can injure patients.

You rent medical devices to facilities or patients. Accepted device-supply duties, client-site custody and delivery stages need terms distinguishing patient harm from physical loss of your equipment.

RISKS WORTH DISCUSSING

- 01 Equipment damage at client sites
- 02 Malfunction leading to patient harm
- 03 Delivery fleet road accident exposure

Coverage worth discussing

Inland marine

Declared leased devices during accepted client-site or transit stages.

Commercial auto

Covered road liability for declared device-delivery vehicles.

Products liability

Covered resulting harm from expressly accepted leased devices.

Commercial property

Insured warehouse inventory after covered physical damage.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
