

DEMENTIA CARE AND RESIDENT SUPERVISION

A resident can wander beyond care.

You support residents living with dementia who may wander or struggle to explain injury. Accepted supervision, care and safeguarding duties need review alongside premises and employee interests.

RISKS WORTH DISCUSSING

- 01 Unsupervised resident elopement
- 02 Patient falls and wandering injuries
- 03 Critical door alarm system failure

Coverage worth discussing

Professional liability

Specialist liability for accepted dementia-care duties.

Commercial property

Insured buildings and alarm systems after covered damage.

General liability

Covered nonclinical resident or visitor premises injuries.

Workers compensation

Work-injury benefits for eligible memory-care employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
