The Southern Agency
Insurance & Bonds

VETERANS AND SERVICE-MEMBER CARE

Federal status changes liability.

Federal facilities, private affiliates and contracted clinicians use different liability arrangements. Actual entity status, clinical duties and property ownership determine which commercial interests can be insured.

RISKS WORTH DISCUSSING

01 **Complex-care malpractice claims**

02 **Sensitive health-data breaches**

03 **Governance and contract duties**

MILITARY AND VETERANS HOSPITAL INSURANCE

Coverage worth discussing

Professional liability
Accepted clinical liability aligned with actual provider status.

Cyber liability
Covered health-data breach response for accepted entities.

Commercial property
Declared insured-entity property after covered physical damage.

Directors and officers
Covered governance claims for accepted private-affiliate leaders.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
