The Southern Agency
Insurance & Bonds

MINE AUDITS, TRAINING AND TECHNICAL ADVICE

An audit finding can be challenged.

You inspect mine hazards, train personnel and document recommendations. Accepted advice, site visits and client records need terms separating professional-error claims from fines or promised compliance results.

RISKS WORTH DISCUSSING

01 **Alleged errors in safety recommendations**

02 **Injury during client-site visits**

03 **Compromised confidential audit records**

MINING SAFETY CONSULTANT INSURANCE

Coverage worth discussing

Professional liability
Covered claims alleging accepted safety-consulting errors.

General liability
Covered third-party injury from accepted consulting activities.

Cyber liability
Covered client-data breach response and privacy claims.

Commercial auto
Covered road liability for accepted consulting vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
