

CONVERTED VEHICLES AND TRAVELING COUNTERS

A crash can close a mobile counter.

Your private postal counter travels in a fitted service vehicle. Declare conversions, stops and who owns the cash, stamps and parcels; road damage, portable equipment and custodial theft are separate.

RISKS WORTH DISCUSSING

- 01 Crashes involving a fitted service van
- 02 Customer falls at roadside stops
- 03 Theft of insured cash or stamps

Coverage worth discussing

Commercial auto

Accepted road liability and selected vehicle damage.

Inland marine

Insured portable postal equipment and tools.

General liability

Covered non-auto injury at accepted service stops.

Crime insurance

Defined theft of expressly insured cash/stamps.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
