

URGENT WHOLESALE DISTRIBUTION

# Delivery vehicles collide on busy routes

You provide shops with parts like batteries through frequent, urgent deliveries. A collision can disrupt your routes.

RISKS WORTH DISCUSSING

- 01 Delivery vehicles collide
- 02 Safety component fails
- 03 Inventory stolen or burns

# Coverage worth discussing

## Commercial property

Insured premises and declared battery or parts stocks.

## Commercial auto

Covered liability for declared parts-delivery vehicles.

## Products liability

Addresses covered harm from supplied components.

## Inland marine

Declared parts in covered deliveries or return transit.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### 01 Listen

We review your operations, coverage and past claims.

### 02 Assess

We look at hazards and ways to reduce risk.

### 03 Build

We compare carriers, premiums and audit terms.

### 04 Support

We revisit coverage as your work changes.
