

INSTRUMENT SALES, RENTALS AND REPAIRS

A repair can ruin an instrument.

You sell instruments and may offer rentals, repairs or lessons. Declare owned, client and consigned values, with accepted rental/custody and teaching stages separate from ordinary stock and customer-data terms.

RISKS WORTH DISCUSSING

- 01 Damage to instruments during repair
- 02 Loss of accepted rental instruments
- 03 Injuries during lessons or demos

Coverage worth discussing

Commercial property

Insured store inventory after covered physical damage.

General liability

Covered injury from expressly accepted lesson/store activities.

Inland marine

Declared instruments under accepted rental/custody terms.

Cyber liability

Covered customer/payment-data response and privacy claims.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
